

## **Dept. of Commerce Introduces Certificate Course in GST** **(Goods & Services Tax)**

7th January 2022, the Dept. of Commerce, BSNVPG College, Lucknow has introduced a Certificate Course in GST under its Value Added Programme. The Inaugural Session was presided over by respected President Sir Sri T N Mishra, CA Praveen Kumar from Awoke India, Director Sri Rakesh Chandra, Coordinator of the Course and Head of the Dept Dr Madhu Bhatia. The course is also in accordance with NEP guidelines of the Central Government and listed under the scheme of National Skill Development Corporation (NSDC). The GST Act was enforced on July 1st, 2017 by Central Government under its Indirect Tax regime. GST is a multi stage system which is comprehensive in nature and applied on the sale of Goods and Services. The main aim of this taxation system is to curb the cascading effect of other indirect taxes and it is applicable throughout India.

The certificate course on GST will provide students with basics of GST, its terminologies, concepts, their applicability. The students will get training regarding procedure of registration, filing returns, accounting, recording of GST transactions etc. It will also help in interaction with GST Authorities as well.

The course is designed keeping in mind the problem of rising unemployment in the country due to lack of skills. Therefore, this certificate course will help students to acquire skills which will enhance their chances of getting employed by fulfilling the future demand for professionals in this field. It will enable significant job opportunities for the students, as business houses and corporate sector will have to employ qualified people with good understanding of GST Act. It will also help to work independently in taxation and other statutory compliances. We hope that the certificate course on GST will go a long way to fulfill this need.
