## Report

On 23rd December 2022, an invited lecture on "Carrier opportunities in upstream Oil and Gas industry" by Mr. Ashok Kumar Tewari, Consultant Wellsite Geologist, was organised. Mr. Tewari also an alumni of geology department gave a very informative presentation about oil industry prospects and carrier tips to young geology students. The interactive session lasted for an hour. All departmental faculty members were present. Principal Prof. R D Dwivedi also graced the event. Earlier Mr. Vaibhav Singh welcomed the guest by presenting bouquet and Prof. Sanjay Shukla gave a memento.
