Objective

Anusandhan (Science Research Journal) is an open access, peer reviewed, annual, international science research journal in Hindi being published by B.S.N.V. Vigyan Parishad, Lucknow with Creative Commons (C.C.) Attribution 4.0 International Licence . The main objective of the journal is to provide a proper platform to those research scholars, teachers and scientists who are interested in expressing their scientific thoughts and presenting the scientific research in Hindi to be appreciated on both the national and international levels. Presently the aim is to publish one volume in a year which can be extended to two volumes per annum as per requirement. The papers received from all streams of science (Physics, Chemistry, Mathematics, Zoology, Geology, Statistics, Computer science, Engineering and Technology, Environmental science, Medicine etc.) and related field will be published in the journal after being accepted through proper preview.

It is mandatory to present the abstract of all kind of research papers / articles both in Hindi and English and serialize/mark/index the references in the text for publication in any part of the journal from part 1 to part 4.

Section 1- Research papers

Section 2- Technical review article, summary of honoured research thesis, research project, research publication, research academics etc.

Section 3- Scientific articles based on important topics (please give reference of the material used at the end of the article)

Section 4- Book review, report of conference/ workshop, news related with applied/ practical science/ interviews based on the research experiences of the senior scientists, biography, achievements, research discourse on national laboratories/ research institutes, new scientific topics, scientoons, academic advertisement etc (please also give the reference of the material used at the end of the article).

Both print copy and e-copy of the journal will be published.

Submission of Research Papers for Publication

Policy of Ethics

Articles for publication are invited from the willing students, research scholars, teachers, scientists and other academicians with the view that neither the article has been accepted nor is under consideration for being published in any other journal. The copyright of the research papers/ analytical articles/ scientific articles published will be owned by B.S.N.V. Vigyan Parishad. **A copyright form(Provided on the last page of the guideline) is to be filled by every author after acceptance of the paper for publication.** A contributor can send write ups for all 4 sections of the journal. It is compulsory to provide references at the end of the articles presented for section 3 and 4. The article for publication in any section of the journal has to be sent to the editor- Dr. Deepak Kumar Srivastava, Associate Professor, Department

of Mathematics, B.S.N.V.P.G. College, Lucknow, at the e-mail dksflow@hotmail.com through MS Word file. The MS Word.doc file of the articles accepted for publication after consideration will be asked to resend at the same e-mail. This article will be reviewed as per the format of the journal and sent back to the author for final observation. The finalized article must be sent back to the editor at the earliest, within 2 to 3 days.

Peer Review Policy

Anusandhan Vigyan Shodh Patrika is a peer reviewed international journal. It is an open access journal published annually in Hindi language under Creative Commons(C.C.) Attribution International Licence  This journal is indexed in DOAJ(Directory of Open Access Journal) and Crossref, USA. All research papers and articles are subjected to peer review process. We strictly follow review process in publication of research papers to maintain the international standards in scientific research (mainly for section-1 & 2 of journal). Review process is helpful for us to maintain the standards of research as well as removal of errors involved in writing the research papers and to improve the quality of papers. On the basis of reviewer's comment, papers are accepted, resubmitted or rejected. In any case, the author is informed accordingly but rejected articles are not returned to authors. After completion of review process, this science journal published online as well as hard form. As publication of hard copy including completion of review process is expensive affair so before publication of their paper, author is to deposit compulsorily the reprint cost of Rs 650/- for providing 25 reprints in prior to publishing the papers in journal.

The journal does not charge any submission fee or publication charges to author.
